

## **POL-03 Environmental Policy**

BFS Enterprise (Fabrications) Limited recognise that our activities have an impact on the environment in terms of the use of raw materials, emissions to air and water and waste generation, and seek to minimise this as far as is reasonably practicable.

We are therefore committed to reducing our environmental impact and continually improving our environmental performance as an integral and fundamental part of our business strategy and operating methods.

It is our priority to encourage our customers, suppliers and all business associated to do the same. Not only is this sound commercial sense for all; it is also a matter of delivering on our duty of care towards future generations.

BFS Enterprise (Fabrications) Limited is committed to:-  
Continual improvement in its environmental performance  
Preventing pollution  
Compliance with all environmental legislation, regulations and codes of practice relevant to the industry sector in which it operates.

It is the policy of BFS Enterprise (fabrications) Limited to:  
Make efficient use of natural resources by conserving energy and water, minimising waste, and recycling where possible.  
Meet its duty of care requirements in relation to waste by ensuring the safe keeping, transportation and subsequent recovery or disposal of waste.  
Keep transport use to a minimum and regularly service vehicles to maintain their efficiency  
Keep our site clean and tidy to ensure minimum disturbance to clients and neighbours  
Encourage members of staff to feedback to management about the company's environmental policy.  
Carry out all operations in a manner, which minimises adverse effects upon the environment and the community.

We will communicate this policy to all our employees and will review this policy on an annual basis, taking account of any changes within legislation and our organisation, and other factors.

I request everyone co-operates fully with the implementation and improvement of this policy. It is with the collective support of everyone within BFS, its supply chain and sub-contractors that will help us to achieve our objectives.

BFS Enterprise (fabrications) Limited will also make this policy available when requested to interested parties including members of the public.
